

REMARKS

In the Notice of Allowability dated November 16, 2005, the Examiner required a corrected Figure 6. A corrected Figure 6 is provided with a set of replacement drawings. The Examiner also required a new Formal drawing to correspond to the Appendix filed 21 June 2004.

Applicant includes a new Figure 8 in the set of replacement drawings. The specification has been amended at Pages 6 and 24 to reflect the newly added Figure 8.

No new matter is added and entry of this amendment is respectfully requested.

Respectfully submitted,
